Located near the southeast corner of Sam Furr Rd (Hwy 73) and Old Statesville Rd (Hwy 115) across from the CVS parking lot, the nearly 5,000 square-foot location includes nine service bays, as well as an comfortable lobby with a home-charm décor that features upscale furniture, decorative lighting, artwork and hardwood floors. Christian Brothers also offers a free courtesy shuttle vehicle to transport you to and from work, home or errands while your vehicle is being serviced. Waiting customers can enjoy free Wi-Fi, coffee and bottled water in the quiet lobby.

"I'm excited about establishing a business where customers enjoy bringing their vehicles to us because they know we'll provide excellent service with integrity in all we do," said owner Colleen Manno. "As a female business owner, I'm eager to serve the community with a shop where all our customers, especially women, feel welcome and assured that we will never take advantage of them but instead will care for their vehicles as if they were our own. My favorite part of the day is when I get to know customers better while driving our courtesy shuttle."

Christian Brothers Automotive provides full-service automotive diagnostic testing and evaluation, maintenance programs and repair work for all domestic and foreign vehicles at each of their locations. All Christian Brothers Automotive facilities are staffed with automotive service excellence (ASE) certified technicians.

Colleen recently moved to Huntersville from the Dallas-Ft. Worth area where she was a loyal Christian Brothers customer for over 10 years. She appreciated their ethical, caring service so much that when she decided to open her own business, she knew that Christian Brothers was the right opportunity for her. Colleen spent 13 years in sales and marketing with Nokia prior to joining the Christian Brothers family. Her daughter and son-in-law hope to relocate to the Huntersville area later this year.
